SCIENTIFIC MEETINGS

A List of Forthcoming Events

FALL 1959

Published by the
Science-Technology Division, Special Libraries Association

SCIENTIFIC MEETINGS

Editor

Miss Gertrude Bloomer
The Wm. S. Merrell Company
Cincinnati 15, Ohio

Business Manager

Miss Joan Hutchinson
3222 Harry Lee Lane
Cincinnati 39, Ohio

SCIENTIFIC MEETINGS is published 3 times a year. Subscriptions are \$4.00 a year. Single copies are \$1.50. Make checks payable to SCIENTIFIC MEETINGS, and send orders for subscriptions to the business manager.

This issue of SCIENTIFIC MEETINGS lists those events which are scheduled to be held on and after October 1, 1959. The data concerning the meetings are, for the most part, prepared from announcements appearing in scientific journals. The accuracy of the data, therefore, depends on the accuracy of the announcements. The editor invites scientific organizations to send announcements of their own meetings directly from their headquarters.

The next issue of SCIENTIFIC MEETINGS will list events to be held on and after January 1, 1960.

Part 1 of SCIENTIFIC MEETINGS is an alphabetical listing of organizations sponsoring events. It contains complete data on the meetings. Arrangement of entries in this section is strictly alphabetical, without regard for preceding or intervening articles and prepositions. Part 2 is a chronological list; this part is a finding list only, and it will be necessary to refer to Part 1 for specific information.

The following societies and members of Science-Technology Division took part in preparing this issue:

Miss Robin Adair
Hydro-Electric Power Commission
of Ontario
Toronto 2, Ontario, Canada

Miss Martha Anderson
